Chapter 1 by Story Wars

It pulled me down deeper and deeper into the ocean. I try to scream but it won't let me. My vision blurs. My lungs are losing oxygen every second. I can't hold my breath any longer.

"Welcome to a new world," it said, "You'll love it her."

It laughed like crazy. It was taking over me. I blacked out.

Chapter 2 by juliette

I wake up startled by how cold it is outside. I'm soaked to the through my clothes and am irritably itchy from the salt gettinginto my clothes and rubbing against my skin. I try and stand up but i fall back down gasping out in pain. I look around and notice it's terribly dark.
